GOVERNMENT OF KERALA

Revenue (F) Department

NOTIFICATION

G. O. (MS) No. 329/74/RD. *Dated, Trivandrum, 10th April,* 1975.

In exercise of powers conferred by section 8 of the Kerala Weights and Measures (Enforcement) Act, 1958 (45 of 1958) the Government of Kerala hereby direct that in trades in grains or grams like paddy, wheat etc., where the dry measures were in use for measure, no transaction, dealing or contract shall be made except by weight only with effect from 15th April 1975 in the whole of the State of Kerala.

By order of the Governor,

K. B. Warrier,
Special Secretary to Government.

Explanatory Note

This note is not part of the notification but is intended to indicate its general purport.

It was decided in the 16th Conference of Controllers of Weights and Measures that the use of dry measures should be abolished. As a step to pave the way for eliminating the use of dry measures in trade and commerce, granting of fresh licences for the manufacture and the dealership of dry measures was stopped two years ago. The renewal of licences for dealing and manufacturing dry measures was also discontinued. With a view to achieve this necessary amendments have been effected to the Kerala Weights and Measures (Enforcement) Rules 1964 deleting the part XII in Schedule IV of section 7 of the Rules under the caption 'Dry measures of capacity'. This notification was already published in Kerala Gazette No. 30 dated 23-7-1974.

But it is found not possible to dispense with dry measures, specially designed and meant for exclusive use for the measurement of uncured coffee all of a sudden, because it would create problems detrimentally affecting the small growers in coffee trade. The sliding scale fixed for checking the moisture contents in uncured coffee is based on the relationship between the volume and weight of the uncured coffee pooled. Ways and means to overcome this difficulty in coffee trade will have to be adopted in consultation with the small coffee growers and the Coffee Board. Till such time the dry measures in coffee trade will have to be allowed to be used.

By the elimination of the use of dry measures from all other fields of trade and commerce it has become necessary to issue a notification under section 8 of the Kerala Weights and Measures (Enforcement) Act 1958, stipulating the use of weight only, wherever dry measures are used in any trade or class or trade transactions dealing or contract instead of by volume. The present notification is to achieve the above object.
